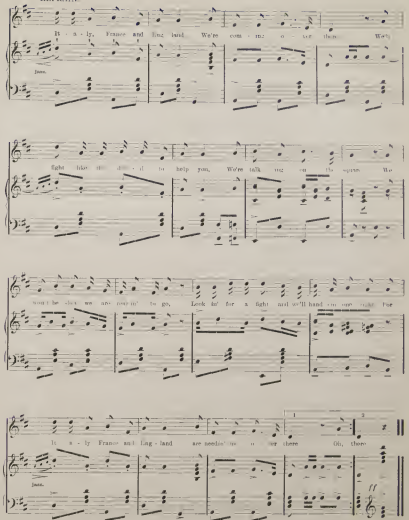
BATTING A 1000 AT THE ARMY CAMPS
THIS SONG HAS COME TO STAY!

REFRAIN.



Hurray U. S. A.

"Our boys are in the trenches,
Oh Lawd, Hip-hip hurray!
And soon we'll all be over
Oh say, now ain't we gay—
We're on our way to Germany,
Our boys will make the Kaiser pay,
Oh we want to cross the water
And fight for our U. S. A!"

America is with you,
To stand for liberty,
We'll take the part of Freedom,
And fight Autocracy!
We'll send you food and shells and men,
We'll help you lick the Huns, and then
You'll join the boys in khaki
With Hurray U. S. A.!"

Chorus

"Oh Italy, France, and England,
We're coming over there,
We'll fight like the devil to help you,
We're talking on the square.
We won't be slow, we are rearin' to go,
Lookin' for a fight and we'll hand 'em one right,
For Italy, France, and England
Are needin' us over there."
